Wounded Warrior Project

Make sure your club participates in this year's Presidential Service Project. When you do, not only are you and your fellow club members aiding a worthwhile cause, but you are eligible for the From the Heart Award, sponsored by Markel Insurance.

Brandyl Brooks' Presidential Service Project encourages AjPHA members to support the Wounded Warrior Project. Now is the time for AjPHA members to get involved. AjPHA Regional Clubs can hold fundraisers, such as 50/50 raffles, bake sales, car washes, trail rides, or special horse show classes.

Keep track of all the fund-raisers, donations and activities that your club organizes. Activities and funds can be logged on this page.

Completed logs and applications for the From the Heart Award must be submitted by May 1, 2010. For more information about the AjPHA Presidential Service Project, log on to *ajpha.com/Presservproj.aspx.html* .
