From The Heart Award

MARKEL INSURANCE COMPANY

AjPHA is proud to announce the 2010 From the Heart Award, sponsored by Markel Insurance. AjPHA President Brandyl Brook's "Wounded Warriors" project asks regional clubs to support our Nation's soldiers wounded in battle.

The From the Heart Award was created to encourage AjPHA regional clubs to participate in the Presidential Service Project, which encourages AjPHA members to reach out to their community through education and service.

The award will be given to the club that displays the highest level of dedication and effort toward "Wounded Warriors". The prize, a $500 cash award sponsored by Markel Insurance, will be presented at the 2010 World Championship Paint Horse Show in Fort Worth, Texas, to be held June 23–June 29.

In addition to the From of the Heart Award Entry Form, we encourage you to submit photographs, news clippings, a video or other documentation of your club's projects. These items may also be included in your club's scrapbook entry into the Club of the Year Contest. **Entries must be postmarked by May 15, 2010.**
