

# Face Markings

**BALD FACE**

A very wide blaze that can extend around the eyes and down to the upper lip and around the nostrils.

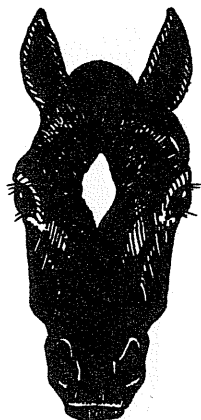

**BLAZE**

A wide, long white marking extending the length of the face.

**STRIP**

A narrow, white marking extending up and down in the area between the forehead and nostrils.

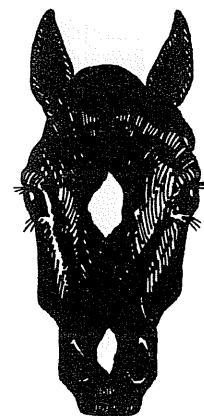

**STAR**

Any white marking on the forehead.

**STAR, STRIP AND SNIP**

A white marking on the forehead, with a strip to the nostrils and opening up again between the nostrils.

**STAR AND SNIP**

White marking on the forehead with white marking between the nostrils. Snip does not have to be connected to the star.

**SNIP**

Any white marking, usually up and down between the nostrils.
